SNOOSC as an Organisation

We are an award winning organisation established in 2001; When Parents in the Bedfordshire area found their special needs children without any social or recreational opportunities.

Creating a non-profit organisation known as SNOOSC 'Special Needs Out Of School Club' for children and young adults from the age of 8-25, providing a 1:1 service

We believe every child matters and have their own unique requirements and we at SNOOSC encourage everyone to make a difference.
